What a Basic Corporate Pass provides...

- Participating employees gain use of The CENTRE's indoor pool, fitness area, indoor track, gymnasium, and group fitness (aerobic) programs. Some minimum age restrictions may apply for the fitness area and indoor track.
- All pass holders receive discounted rates when enrolling in aquatic, recreation, sports and fitness programs offered at The CENTRE.
- Employer and pass holding employees receive discounted rental rates for meeting rooms, private pool parties and other amenities at The CENTRE.

How the Basic Corporate Pass Program works...

- No enrollment fee for employer or employees.
- Effective discount for Basic Corporate Passes are calculated off the regular monthly payment rate for Annual Passes.
- Payments made by employee through a monthly electronic funds transfer (EFT) from the employee's personal checking or credit card account or a single payment for the one year contract.
- No direct cost to employer for participation in program. Employers are welcome (but not required) to subsidize a portion of the pass fees as an added health and wellness benefit for their employees.
- Employer serves as distribution point for enrollments and renewals.
- Employee brings completed paper work to The CENTRE front desk for processing.
