

City Planner – Job Notice

Abbreviated Job Notice:

The City of Rolla, MO (pop. 20,500) is accepting applications for the position of City Planner. Salary range of \$40,000 – 53,000 + excellent benefits. The City Planner works under the supervision of the Community Development Director. The City Planner must have excellent communication skills and is responsible for performing short and long range planning, including the development of recommendations on planning, zoning and subdivision issues. Develop and implement routine and special projects that require research, data collection, report writing, and presentations. Assist citizens and developers with understanding ordinances and regulations, and their intent and purpose. Coordinate with engineering and GIS staff in helping create maps, graphics and other items for the Planning and Zoning Commission, ZBA, City Council, City staff and for general use reference.

A Bachelor's Degree from an accredited college or university in Planning, Urban Studies, Architecture or a related field is required. Planning experience in the public sector/AICP is preferred.

A City of Rolla application is required by Friday, June 30, 2017. Cover letter, resumes and a completed City application is required. Applications may be downloaded from the City of Rolla website www.rollacity.org or obtained at Rolla City Hall.
