CITY COUNCIL AGENDA

DEPARTMENT HEAD: John Butz, City Administrator  ACTION REQUESTED: Information Only

ITEM/SUBJECT: New Police Chief Profile/Advertisement

BUDGET APPROPRIATION: $500  DATE: January 20, 2015

COMMENTARY:

The Police Chief Search Committee held their initial meeting to review the formal selection process on December 11th. It was decided at that time to survey RPD employees and City officials on the desired traits and values of our new chief. A total of 40 surveys were submitted and they have been compiled in the attached forms.

Not surprising, key characteristics and traits for the next chief were integrity, leadership, advocate, personable, strong communicator, and emotional stability. Those traits/skills were then incorporated into the Position Profile, which is used to help advertise the opening. Once finalized we anticipate advertising the position for 6-8 weeks (until filled) in several websites and various organizations including MML, MO Police Chiefs Association, MO National Academy, etc.

No action needed.

CITY OF ROLLA
CITY COUNCIL AGENDA

DEPARTMENT HEAD: John Butz, City Administrator  ACTION REQUESTED: Motion

ITEM/SUBJECT: Animal Shelter Development/Fund Raising Committee

BUDGET APPROPRIATION: $ N/A   DATE: January 20, 2015

COMMENTARY:

The projected cost of a new animal shelter, based on the 5,600 SF preliminary design by Shelter Planners of America, is $2 million. With a substantial donation from Mr. Bob Eck, the community will still need $1.6 – 1.8 million to proceed. City funds being what they are indicate the City can continue to fund Animal Control approximately $175,000/year for operating costs but can provide little to no funding for construction. Consequently a grass roots effort at raising the required funds is needed.

Council recently approved a 3 committee approach to a successful conclusion but the Development/Fund Raising Committee is key. The following names/volunteers are submitted to develop a fund-raising strategy and then to implement same:

- Chairman     Wayne Parry
- City Council Rep     Sue Eudaly
- City Rep     John Butz
- County Rep     Larry Stratman
- PCHS Rep     Shannon Coatney
- PCAWL Rep     Shelby O'Keefe
- Media Rep     Lee Buhr
- Community Rep     Judy Cavender

The effort will require other volunteers for implementation but volunteers/subject matter experts will be added as the fund-raising effort progresses.

ITEM NO. [N. B. 1]
Rolla Animal Shelter Strategy

November 2014

Mission:

The City of Rolla operates the primary animal shelter for the Rolla/Phelps County area and has done so since the 1970's out of an effective but inferior shelter facility. The facility is inspected annually from the MO Dept. of Agriculture and despite positive reviews on City staffing and maintenance efforts the list of building and operational deficiencies is substantial. In addition the current facility is located in the middle of an 8 acre tract owned by the City located southeast of Hwy 63 and I-44 off Sharp Rd. The City has had the property listed for sale through Investment Realty since 2007. Relocation and reconstruction of a modern, compliant animal care facility is greatly needed.

Challenge:

While the need is well demonstrated in the Shelter Needs Assessment and Feasibility Study prepared by Shelter Planners of America (Sept 2014) the timing could not be worse with respect to City resources. With a capital cost estimate of $2 million and projected annual operating costs approaching $300,000 the City has no funding capacity (capital or operating) to support a new, expanded animal care program. The City’s current operation costs approximately $170,000 per year to operate and the City can commit that to a new facility. In lieu of traditional local tax support the challenges (options) for additional funding would need to come from substantial charitable contributions, increased user fees/services, and regional cooperation from other taxing entities. The City does not have experience in doing capital fund-raising campaigns so an entire grass roots strategy would be required to move forward. Through the generous donation of the late Mr. Bob Eck the City has received the first, significant contribution to “Animal Care” in the amount of $440,000 which has been deposited in a special reserve account.
Organizational Planning Structure & Responsibilities:

Capital Campaign Committee:

Goal: Responsible for coordinating a capital fund-raising campaign of raising $1.6 – 2 million for the construction of a new animal shelter and seed funding for perpetual care.

Expected Timeline: January 2015 – December 2016

Deliverables:

1) Recommend formation of charitable giving foundation
2) Develop fund-raising strategy and plan
3) Identify and solicit major potential donors
4) Initiate and coordinate public campaign
5) Develop planned giving program for perpetual care

Project Development Committee:

Goal: Responsible for working with consultants/architects on the project scope, site development and construction once the project is funded.

Expected Timeline: Initiate preliminary design when fund-raising achieves 60% of goal. Initiate final design when fund-raising achieves 80% of goal. General review of construction (10 – 12 months).

Operational Committee:

Goal: Responsible for budgeting operational support for a new animal care shelter and for identifying funding for sustained support beyond the City’s available investment of $170,000 per year. Development of a strong volunteer program will be instrumental in the long-term success and viability.

Expected Timeline: Initiate financial pro forma and draft operating budget when final design is completed. Review operational policies and guidelines during construction.

ITEM/SUBJECT: Review and Documentation of Sold Asset Listing (7/20/14 – 12/31/14)

BUDGET APPROPRIATION: $15,000 DATE: January 20, 2015

COMMENTARY:

The City has been very satisfied with the disposal/sale of surplus items on GovDeals.com – an on-line site we have been using for 4-5 years. We always reserve the right to sell surplus items directly or through trade-in but we generally feel we get the best coverage price through GovDeals. By ordinance, Council needs to approve the disposition of any surplus property over $500 so we periodically submit the list of items sold for proper documentation.

Recommendation: Motion to approve the surplus sold assets through GovDeals from July – December 2014.

CITY OF ROLLA
CITY COUNCIL AGENDA

DEPARTMENT HEAD: Steve Hargis

ACTION REQUESTED: Bid Award

ITEM/SUBJECT: Dump Trucks

BUDGET APPROPRIATION (IF APPLICABLE)   $196,600   DATE: 1/20/15

**************************************************************************

COMMENTARY:

Attached is information regarding State Bids for a 2016 Dump Truck.

We are requesting to participate in the cooperative purchase of two dump trucks using the MoDOT bid for dump trucks. We will surplus the existing dump truck through Gov Deals.

The Street Department dump truck will be part of a lease purchase with the roller awarded at a previous meeting. We are anticipating receiving approximately $20,000 each for the existing dump trucks.

The units are planned replacements in the Street and Sewer Departments. Total price for each dump truck is $140,508.47. The Street Department unit will be purchased utilizing a lease purchase including the roller. The two combined would be $140,508.47 plus $73,217.00 less the estimated $20,000 for the surplus truck for a total of $193,725.47. The unit in Sewer will be purchased out of existing revenues.

Staff recommends City Council approve the purchase of two dump trucks from Vanguard Truck Center of St. Louis for $140,508.47 each as set out in RFB 3- 140214RJ Dump Trucks in the agreement between Missouri Highways and Transportation Commission and Truck Centers Incorporated.

(8) CANCELLATION: The Commission may cancel the Agreement at any time for a material breach of contractual obligations or for convenience by providing Contractor with written notice of cancellation. Should the Commission exercise its right to cancel the contract for such reasons, cancellation will become effective upon the date specified in the notice of cancellation sent to the Contractor.

(9) AUDIT OF RECORDS: Contractor must maintain all records relating to this Agreement, including but not limited to invoices, payrolls, etc. These records must be available at all reasonable times at no charge to the Commission and/or its designees or representatives during the period of this Agreement and any extension thereof, and for three (3) years from the date of final payment made under this Agreement.

(A) By signing this Agreement, the Contractor hereby certifies that any employee of the Contractor assigned to perform services under the contract is eligible and authorized to work in the United States in compliance with federal law.

(B) In the event the Contractor fails to comply with the provisions of the Executive Order 07-13, or in the event the Commission has reasonable cause to believe that the Contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Commission reserves the right to impose such contract sanctions as it may determine to be appropriate, including but not limited to
contract cancellation, termination or suspension in whole or in part or both.

(14) **INDEMNIFICATION:** The Contractor shall defend, indemnify and hold harmless the Commission, including its members and department employees, from any claim or liability whether based on a claim for damages to real or personal property or to a person for any matter relating to or arising out of the Contractor's performance of its obligations under this Agreement.

[Remainder of Page Intentionally Left Blank.]

Executed by the Contractor this 14th day of April, 2014.
