Meeting adjourned: 5:44 p.m.
Minutes prepared by: Sarah West

NEXT MEETING: Tuesday, December 14, 2021
Meeting Date: December 14, 2021

Subject: Map Amendment (rezoning): 602 N Cedar; 407 E 6th; and 603 N Walnut from the R-3, Multi-family district and the C-2, General Retail district to the C-1, Neighborhood Commercial district.

Background: The applicant has acquired three properties which together are the south half of the block. Four residential buildings are located on the property. Part of the property is zoned C-2, General Retail. Part of the property is zoned R-3, Multi-family. Zoning to C-1, Neighborhood Commercial would allow for the intended use and bring the entire property under one zoning district. The applicant intends to redevelop the property for a professional office space use.

The property is also within the Rolla Arts and Entertainment Overlay District. The overlay district applies restrictions and allowances on top of the underlying zoning. The uses allowed in the proposed C-1 district are allowed in addition to the arts and entertainment oriented uses allowed by the overlay. The overlay district also imposes more restrictive signage standards.

Application and Notice:
- Applicant/Owner - William Moorkamp of WGM Rentals, LLC
- Public Notice - Letters mailed to property owners within 300 feet; Legal ad in the Phelps County Focus; signage posted on the property; [https://www.rollacity.org/agenda.shtml](https://www.rollacity.org/agenda.shtml)
- City Council Date - December 20, 2021

Property Details:
- Current zoning - R-3, Multi-family and C-2, General Retail to C-1, Neighborhood Commercial
- Current use - Residential
- Proposed use - Commercial
- Land area - 29,500 sq. ft.

Public Facilities/Improvements:
- Streets - The subject property has frontage on 6th Street, a Collector street; and on Cedar Street and Walnut Street, both local streets.
- Sidewalks - Sidewalks are located adjacent to the property on all sides.
- Utilities - The subject property should have access to all needed public utilities.

Comprehensive Plan: The Comprehensive Plan designates the property as being appropriate for Medium and High Density Residential uses.
Discussion: The property has frontage on a collector street and is located directly across the street from Benton Square, a redeveloped multi-tenant commercial building. The property is within the Arts and Entertainment Overlay, which allows many types of commercial uses. A well-designed professional office building should be compatible with the area.

Rezoning Approval Criteria:
A rezoning application must be reviewed to ensure that the following criteria are considered:
1. Consistency with the intent of the adopted Comprehensive Plan;
2. Changed or changing conditions in the neighborhood;
3. Compatibility with the uses permitted in the immediate vicinity;
4. Adequacy or availability of utility service and facilities;
5. Impacts on vehicular and pedestrian traffic safety;
6. Correction of an error in the application of this Article;
7. Viability of economic uses of the subject property if the proposed rezoning is denied; and
8. Relevant information submitted at the public hearing.

Findings:
1. The Comprehensive Plan does designate the subject property as being appropriate for Medium and High Density Residential uses.
2. The property is located within the Rolla Arts and Entertainment Overlay district.
3. The applicant owns the entire south half of the block.
4. Part of the property is zoned C-2, which does allow for the intended use; Request would downzone that area.
5. The property is near other professional office/retail uses.

Alternatives:
1. Find the request meets the criteria for approval and recommend the City Council approve the request for a map amendment (rezoning) of the subject property.
2. Find that the proposed map amendment (rezoning) is not an appropriate use for the property and recommend that the City Council deny the request.
3. Find that additional information and discussion is needed prior to making a recommendation and table the request to a certain date.

Who and What is the Planning and Zoning Commission?
The Planning and Zoning Commission is an appointed group of citizens from Rolla who are charged with hearing and deciding land use applications, such as zoning and subdivisions. The Commission takes testimony and makes a recommendation to the City Council.

What is a Rezoning (Map Amendment)?
A Rezoning is a request to change the zoning of a property from one zoning district to another. Usually a rezoning would allow for a property to be used differently than in the past, or may allow for development or redevelopment.

What is Zoning?
The City of Rolla has adopted zoning regulations that divide the city into separate areas that allow for specified uses of property. For example, generally only residential uses are allowed in residential zones; commercial uses in commercial zones; etc...

How Will This Impact My Property?
Each case is different. Adjacent properties are more likely to be impacted. Please contact the Community Development Office at (573) 426-6974 if you have any questions.

What If I Have Concerns About the Proposal?
If you have any concerns or comments, please try to attend the meeting. You may learn details about the project at the meeting. You will be given an opportunity to ask questions or make comments.

You do have the right to gather signatures for a petition. If a petition is received by 30% of the land owners (by land area) within 185 feet of the subject property, such request would require approval of 2/3 of the City Councilors. Please contact the Community Development Office for a property owner list.

What If I Cannot Attend the Meeting?
Please try to attend the meeting if you have any questions or concerns. However, if you are unable to attend the meeting, you may provide written comments by letter or email. These comments will be presented to the Board.

What If I Have More Questions?
Please contact the Community Development Office if you have any additional questions.

To Whom it May Concern,

We are requesting re-zoning of the properties located at 602 N Cedar St, 407 E 6th St, and 603 N Walnut St. 602 N Cedar is currently zoned as C2, 407 E 6th St is zoned R3, 603 N Walnut is zoned R3. We are requesting that 602 N Cedar to be changed from C2 to C1. We are also requesting that 407 E 6th St and 603 N Walnut St be changed from R3 to C1. Zoning of C1 is in line with the current businesses in the area.

The proposed use of the property will be professional office space and would fit in with the neighborhood’s existing businesses which include Mi Serenity, Benton Square businesses, Archer-Elgin Engineering, and Orval Reeves Gallery. We feel that this zoning change would provide for an economically viable use of the property and would enhance the esthetics of the proposed properties.

Thank you for your consideration.

Sincerely,

Rolla Community Development Corp.
November 22, 2021

City of Rolla
Planning & Zoning Board
901 N. Elm Street
Rolla, MO 65401

Greetings:

Rolla Community Development Corporation (RCDC), a private non-profit which develops HyPoint and HyPoint West Industrial Parks, has contracted to purchase the Anna Mattingly Trust tract, approximately five acres located at 4120/4122 Highway V. This five acre tract borders HyPoint Industrial Park along its north boundary, due north of the old Fed-Ex facility.

The tract currently contains two abandoned structures and is vacant. It is relatively flat ground and would make a useful addition to HyPoint to be made available for industrial development. The property is currently zoned R-2. RCDC's contract to purchase the property is contingent on the property being rezoned to M-2 for industrial use. RCDC is requesting the Rolla Planning and Zoning Board and the Rolla City Council consider approval of our request for rezoning so that we may close the purchase of the Mattingly tract and add it to HyPoint as available for industrial development.

Thank you for your consideration in the matter.

Yours truly,

Matthew Z. Williams
RCDC President
Meeting Date: December 14, 2021

Subject: Subway Subdivision No. 2: a Minor Subdivision Final Plat to relocate a property line between two commercial lots

Background: The applicant intends to develop the lot south of the Subway. To make the lot more developable, the applicant is seeking to shift the lot line between the two lots to the north. Lot 2A is greatly impacted by floodplain and drainage easements. Moving the lot line would increase the developable area.

Application and Notice:
Applicant/Owner - Sue Banholzer of Banholzer Investments, Inc
City Council Date - December 20, 2021

Property Details:
Current zoning - C-2, General Retail
Current use - Restaurant/Undeveloped
Land area - 2 acres

Public Facilities/Improvements:
Streets - The subject property has frontage on Forum Rd and 10th Street, both Major Arterial streets.
Sidewalks - Sidewalks are located along the frontage of the property on Forum Rd.
Utilities - The subject property should have access to all needed utilities.

Comprehensive Plan: The Comprehensive Plan designates the subject property as being appropriate for Neighborhood Commercial uses.

Discussion: The proposed plat appears to meet all zoning and subdivision requirements. No additional easements are proposed to be dedicated with the plat.

Findings:
1. The proposed minor subdivision would adjust the lot line between two commercial lots.
2. The proposed minor subdivision would increase the developable area for the undeveloped lot, which is impacted by floodplain and drainage easements.
3. The plat appears to be in compliance with all applicable zoning, subdivision, and other requirements.

Alternatives:
1. Find the request meets all applicable requirements and recommend the City Council approve the request.
2. Find that the request could meet all applicable requirements with the imposition of reasonable conditions and recommend that the City Council conditionally approve the request.
3. Find that the request does not meet all applicable requirements and recommend that the City Council deny the request.
4. Find that additional information and discussion is needed prior to making a recommendation and table the request to a certain date.
