   A. Status of Application for Use variance – The Mission

VIII. COMMENTS FOR THE GOOD OF THE ORDER

IX. CLOSED SESSION – None

X. ADJOURNMENT

February 22nd, 2022
PROCLAMATION

WHEREAS: Springfield’s two Ronald McDonald Houses have provided a “home-away-from home” and an invaluable source of hope and comfort for families of seriously-ill and injured children who must travel far from home for medical treatment; and

WHEREAS: The two Ronald McDonald Houses, located in Springfield, Missouri, allow their guests to maintain close contact with their seriously-ill children by providing a secure and supportive environment at no required cost; and

WHEREAS: The Ronald McDonald House near Cox South and the House of Mercy Kids have served the needs of 126 Phelps County families, 78 of which are residents of Rolla, Missouri; and

WHEREAS: On Tuesday, January 25, 2022, 69 Regional McDonald’s Restaurants will begin showing their support by asking customers to “Share their Heart” by “adopting” a $1, $5, and $20 to Ronald McDonald House Charities of the Ozarks through the Share a Heart Campaign; and

WHEREAS: Aaron and Dave Weinbaum of McDonald’s of Rolla are participants in the Share a Heart Campaign, which will continue through February 28, 2022.

NOW, THEREFORE, I, Louis J. Magdits, IV, Mayor of the City of Rolla, Missouri, do hereby proclaim February 14th through February 28th, 2022 as

“Ronald McDonald House Week”

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Rolla to be affixed this 22nd Day of February in the Year of Our Lord, Two-Thousand and Twenty-Two.

Louis J. Magdits IV, Mayor

A STATEMENT BY THE
BOARD OF PUBLIC WORKS

The Electric Power and Water System of the City of Rolla will be known as the ROLLA MUNICIPAL UTILITIES. Mr. J. B. Bronson will continue as general manager.

It will be the policy of the Board to operate the Rolla Municipal Utilities strictly on a business basis. There will be no change in the general policies of the management. All rates will be the same for the present.

The Board has three primary obligations:

1. To give the best possible service to the Citizens of Rolla.
2. To accumulate funds for the payment of the indebtedness. (Bond Issue and Revenue Certificates).
3. To build up reserve funds for any emergency and for replacement of machinery and equipment.

Regarding Service Interruptions:

This trouble is not in the local system, but in the source of supply. We hope eventually to have other sources of supply available and improve the electric service in Rolla.

Beginning immediately, $1000.00 per month from the profits will be paid to the General Fund of the City of Rolla, which is to replace the Franchise Tax formerly paid by the Missouri General Utilities.

No merchandise will be sold in competition with local merchants.

No repair service will be maintained in competition with local Electric Service men.

Next Monday, November 12th, our offices will open in our new building, formerly the Negro U. S. O. Building, 102 W. 9th Street. All business will be transacted from this location after that date. The Rolla Free Public Library will occupy the second floor, and the State Board of Health and the County Agent the basement of this building. These quarters are furnished to the above organizations without cost as a public service of the Rolla Municipal Utilities.

Upon completion of the first quarter of FY 2022, we are showing operating income of $7,223,454. This is an increase of over $224,512 from the 1st quarter of 2021.

Total operating expenses for the 1st quarter of 2022 were $7,147,325. This is down $788,590 from the 1st quarter of 2021.

Total Net Income for the 1st quarter of 2022 was $289,969. The 1st quarter of 2021 shows net income of over $7,600,000 but this is largely due to the sale of a large asset in the 1st quarter of last year.
STATUS OF PENDING PROJECTS

**ELECTRICAL EXTENSIONS/UPGRADES**

- 1022 Kingshighway (Burger King) – reconfiguration of poles, primary underground, padmount transformer, and metering in conjunction reconstruction of the business. Started, September 2, 2021. Complete.

- University Drive Relocation – Conversion of service for 610 West 10th Street (Baptist Student Union) to be supplied from recently installed underground primary. Continuation of earlier work. Completed, December 7, 2021.

- Lions Club Drive – Installation of street lighting.
  - b. 1000 E Lions Club Drive to Rolla Street. Started, January 13, 2022.
  - c. Future, Rolla Street to Highway 63.

**FIBER**

- 11th & Cedar Streets to 10th Street and Forum Drive. Salem Avenue and Summit Avenue to Salem Avenue and Highway 72. Installation of overhead fiber optic cable.
WATER DEPARTMENT

- WATER MAIN INSTALLATION
  
  
  
  o Highway 72, East of South Rucker Street – Replacement of 8" watermain with new 8" PVC in conjunction with commercial development. Started, December 21, 2021. Ongoing.
  
  o Turkey Run (Sycamore Drive) and Mallard Square – Replacement of water main with new 8" PVC water main. Started, January 10, 2022. Ongoing.
MISCELLANEOUS

- **PEAK SHAVING**
  o We initiated our first Peak alert on Friday, January 21st.
  o We had radio spots, Facebook posts and our large local agencies all indicated they would participate.
  o By Friday, we had 221 sign-ups for the text alert system.
  o Our peak on Friday morning was 68.28MW compared to the prior day of 68.49MW. Friday gave us slightly lower temps, and we would normally expect the peak to be higher on the 2nd day of sustained cold temperatures.
  o Plenty of feedback on our Facebook posts.
  o The results were discussed with our MoPEP staff, and the pool peaks were very similar for Thursday/Friday of 450.3MW and 450.1MW respectively.

- **BUILDING EXPANSION**
  o The RFQ’s for architecture/engineering services for expansion of the Service Department were due January 28th.
  o We’ve scheduled committee meetings to evaluate the RFQ’s for final interviews and a recommendation for approval.

- **MoPEP / MPUA**
  1. MPUAs Electric Line Services program is moving forward with a purchase of a used line truck. They should be available to assist participating members this year.
  2. IOU Rate Increases
     a. Most gas suppliers are raising prices 25-35% due to Winter Storm Uri impacts. This could have been much higher, but they are spreading out the recovery over more years to lessen the impact to retail customers.
     b. Ameren had a $299M electric rate increase case scheduled for hearings late 2021. Possible impact of $12/mo.
     c. Empire also had an electric rate case ongoing with an increase of up to 12% on base rates possible. They are also seeking a Fuel Adjustment Charge increase as well.
     d. Evergy did well during Uri and earned significant income during the event.
  3. American Rescue Plan Act
     a. Missouri will receive several billions for investments in infrastructure and other programs.
     b. We are focused on water, broadband, and industrial site development projects.
     c. I have had a few conversations with Rep Mayhew on this topic already.
  4. Grainbelt Express
     a. Grain Belt Express has completed right-of-way acquisition through voluntary easement agreements for approximately 65% of the route in Missouri and Kansas, compared to only one third completed at the start of the year.
b. At the beginning of this year, the company had made payments of $4.9M to landowners in Missouri combined. As it stands today, that figure is $8.5M.
c. Some foundations have been started on the route. And we expect anti-GBX legislative action again this year.
DEPARTMENT HEAD: Steve Hargis

ACTION REQUESTED: Ordinance / Final Reading

ITEM/SUBJECT: Section 27-92 Parking Prohibited on a part of Vichy Road

BUDGET APPROPRIATION N/A          DATE: 02/22/2022

COMMENTARY:

Attached is an ordinance adding 110 feet of no parking on the east side of Vichy Road just south of Meadowbrook Drive. The west side is already a no parking area.

Vichy Road is 24 feet wide, which allows for two standard 12 foot lanes. It is difficult for cars traveling in both directions to pass if there is a car parked on the street.

An individual living just north of this area expressed concern over the situation. They felt that, because of the parked vehicles, motorists coming from the north were not to oncoming traffic quickly enough to allow traffic to stay in their own lane. Vichy road is curved to the west with a fairly dramatic dip at Meadowbrook. We had our crew check safe stopping site distance and are recommending that it be extended by 110 feet to allow for drivers to safely see oncoming traffic and stay in their respective lanes when meeting on coming vehicles.

In preparing this ordinance we are repealing and reenacting all of existing Section 27-92 and adding this additional restriction.

Staff is requesting final reading of the ordinance.
ORDINANCE NO.

AN ORDINANCE REPEALING SECTION 27-92 OF THE GENERAL ORDINANCES OF THE CITY OF ROLLA, MISSOURI KNOWN AS THE CODE OF THE CITY OF ROLLA, MISSOURI, AND ENACTING A NEW SECTION 27-92 IN LIEU THEREOF PERTAINING TO PARKING.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROLLA, MISSOURI AS FOLLOWS:

Section 1: That Section 27-92 of the Code of the City of Rolla, Missouri, pertaining to parking is hereby repealed and a new Section 27-92 is enacted in lieu thereof as follows:

Sec. 27-92. Parking prohibited - On certain streets or parts of streets.

It shall be unlawful for any person to park a vehicle in the designated areas of the public streets as follows: (Ord. 1769, §1.)

Second Street, on the north side, from a point two hundred and twenty feet east of Park Street to a point two hundred and fifty-five feet east of Park Street.

Third Street, on the north side, from a point fifty feet east of the intersection of Third Street and Rolla Street to the intersection of Third Street and Rolla Street. (Ord. 2266, §1.)

Section 27-92 Parking prohibited -
On certain streets or parts of streets.

From: Vichy Road, on the east side, from a point two hundred feet south of the intersection of Vichy Road and Meadowbrook Drive to a point one hundred fifty feet north of the intersection of Vichy Road and Meadowbrook Drive.

To: Vichy Road, on the east side, from a point three hundred and ten feet south of the intersection of Vichy Road and Meadowbrook Drive to a point one hundred fifty feet north of the intersection of Vichy Road and Meadowbrook Drive.
As a follow-up to the discussion from the February 7th City Council meeting, staff has recommended the elimination of residential curbside recycling collection services due to the following reasons:

1) The high cost of providing the service in comparison to the relatively small amount of tonnage/volume collected and diverted. The annual net cost of $172,000 diverts approximately 400 tons, which equates to a cost of $430.00 per ton (3 times the cost of trash collection).

2) Consistent lack of available manpower. Attracting and hiring qualified CDL drivers has become increasingly challenging. Lack of manpower places an additional workload on the remaining employees.

3) High rate of employee turnover. The labor-intensive nature of the work along with competition from other higher-paying employment opportunities make retention of employees difficult. On average, the department is attempting to fill open positions on a monthly basis.

As part of this recommendation, the Department would continue to focus on overall recycling efforts, including operation of the recycling center for drop-off recycling, collection of cardboard and paper from commercial sources, etc. It’s estimated that less than 10% of the total amount recycled annually would be lost if curbside collection is discontinued. The volume collected via curbside recycling accounts for 2% of total waste generation in Rolla.

If the decision is made to eliminate curbside recycling, staff recommends phasing out the service over the next five weeks, through the end of March. This would allow time to notify residents of the change in service. The final week of collection would be March 28-April 1, 2022. If this is the chosen scenario, staff recommends postponing a rate increase until the end of 2022 when the financial position of the department can be re-evaluated after reducing operational costs.

If the decision is to continue to provide the curbside collection service, City Council will be asked to consider a 20% increase in residential service rates. This would raise the current rates of $12.75/month for 35-gallon service and $15.25/month for 90-gallon service to $15.30 and $18.30/month respectively. This increase would be needed to cover the increasing costs of operations and to stabilize the Fund balance. Additionally, during the FY 2022-23 budget planning process it will likely be necessary to consider a pay increase for those employees performing curbside recycling collections. However, a rate/pay increase does not insure the availability and retention of the necessary manpower.
CITY OF ROLLA
CITY COUNCIL AGENDA

DEPARTMENT HEAD: City Administrator John Butz

ACTION REQUESTED: Award/Final Reading

ITEM/SUBJECT: Award and Contract to Cahill’s Construction for Animal Shelter Phase 1.

BUDGET APPROPRIATION: $465,000

DATE: February 22, 2022

COMMENTARY:

The city opened bids for the new Animal Shelter Project – Phase 1 (exterior building shell) on January 26th. The city received the following bids:

| Contractor            | Bid Amount       | Completion
|-----------------------|------------------|-------------
| Bales Construction   | $509,800         | 180 days    |
| Cahill's Construction| $465,000         | 170 days    |

We didn’t anticipate many bids due to the project scope (prevailing wage, public sector) but were pleased with the prices received. The Community has raised approximately $750,000. We will have spent approximately $150,000 on design services and fund raising efforts. We will have $100,000+ to go towards Phase 2 interior services. Phase 2 could cost as much as $400,000-500,000 to finish out the project that will need to be made up in additional fund-raising, volunteer, or other in kind services. Building construction could begin as early as April with completion by October 2022.

Recommendation: Final reading of Ordinance approving the contract for services with Cahill’s Construction.
ORDINANCE NO. __________

AN ORDINANCE AUTHORIZING THE MAYOR TO EXECUTE A CERTAIN AGREEMENT BETWEEN THE CITY OF ROLLA, MISSOURI AND CAHILL'S CONSTRUCTION, INC.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROLLA, MISSOURI, AS FOLLOWS:

    Section 1: That the Mayor of the City of Rolla, Missouri be and is hereby authorized and directed to execute on behalf of the City of Rolla, Missouri an agreement between the City of Rolla and Cahill's Construction, INC., a copy of said agreement being attached hereto and marked Exhibit "A".

PASSED BY THE CITY COUNCIL OF THE CITY OF ROLLA, MISSOURI AND APPROVED BY THE MAYOR THIS 22ND DAY OF FEBRUARY 2022.

The Owner and Contractor agree as follows.
TABLE OF ARTICLES

1 THE CONTRACT DOCUMENTS
2 THE WORK OF THIS CONTRACT
3 DATE OF COMMENCEMENT AND SUBSTANTIAL COMPLETION
4 CONTRACT SUM
5 PAYMENTS
6 DISPUTE RESOLUTION
7 TERMINATION OR SUSPENSION
8 MISCELLANEOUS PROVISIONS
9 ENUMERATION OF CONTRACT DOCUMENTS

EXHIBIT A INSURANCE AND BONDS

ARTICLE 1 THE CONTRACT DOCUMENTS
The Contract Documents consist of this Agreement, Conditions of the Contract (General, Supplementary, and other Conditions), Drawings, Specifications, Addenda issued prior to execution of this Agreement, other documents listed in this Agreement, and Modifications issued after execution of this Agreement, all of which form the Contract, and are as fully a part of the Contract as if attached to this Agreement or repeated herein. The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations, or agreements, either written or oral. An enumeration of the Contract Documents, other than a Modification, appears in Article 9.

ARTICLE 2 THE WORK OF THIS CONTRACT
The Contractor shall fully execute the Work described in the Contract Documents, except as specifically indicated in the Contract Documents to be the responsibility of others.

ARTICLE 3 DATE OF COMMENCEMENT AND SUBSTANTIAL COMPLETION
§ 3.1 The date of commencement of the Work shall be:
(Check one of the following boxes.)

[ ] The date of this Agreement.

[ ] A date set forth in a notice to proceed issued by the Owner.

[ ] Established as follows:
(Insert a date or a means to determine the date of commencement of the Work.)

If a date of commencement of the Work is not selected, then the date of commencement shall be the date of this Agreement.

§ 3.2 The Contract Time shall be measured from the date of commencement of the Work.

§ 3.3 Substantial Completion
§ 3.3.1 Subject to adjustments of the Contract Time as provided in the Contract Documents, the Contractor shall achieve Substantial Completion of the entire Work:
(Check one of the following boxes and complete the necessary information.)

Init. /  
100%
[ ] Not later than One Hundred Seventy (170) calendar days from the date of commencement of the Work.

[ ] By the following date:

§ 3.3.2 Subject to adjustments of the Contract Time as provided in the Contract Documents, if portions of the Work are to be completed prior to Substantial Completion of the entire Work, the Contractor shall achieve Substantial Completion of such portions by the following dates:

<table>
<thead>
<tr>
<th>Portion of Work</th>
<th>Substantial Completion Date</th>
</tr>
</thead>
</table>

§ 3.3.3 If the Contractor fails to achieve Substantial Completion as provided in this Section 3.3, liquidated damages, if any, shall be assessed as set forth in Section 4.5.

ARTICLE 4 CONTRACT SUM

§ 4.1 The Ownershall pay the Contractor the Contract Sum in current funds for the Contractor’s performance of the Contract. The Contract Sum shall be Four Hundred Sixty-Five Thousand Dollars ($465,000.00), subject to additions and deductions as provided in the Contract Documents.

§ 4.2 Alternates

§ 4.2.1 Alternates, if any, included in the Contract Sum:

<table>
<thead>
<tr>
<th>Item</th>
<th>Price</th>
</tr>
</thead>
</table>

§ 4.2.2 Subject to the conditions noted below, the following alternates may be accepted by the Owner following execution of this Agreement. Upon acceptance, the Owner shall issue a Modification to this Agreement. (Insert below each alternate and the conditions that must be met for the Owner to accept the alternate.)

<table>
<thead>
<tr>
<th>Item</th>
<th>Price</th>
<th>Conditions for Acceptance</th>
</tr>
</thead>
</table>

§ 4.3 Allowances, if any, included in the Contract Sum:

(Identify each allowance.)

<table>
<thead>
<tr>
<th>Item</th>
<th>Price</th>
</tr>
</thead>
</table>

§ 4.4 Unit prices, if any:

(Identify the item and state the unit price and quantity limitations, if any, to which the unit price will be applicable.)

<table>
<thead>
<tr>
<th>Item</th>
<th>Units and Limitations</th>
<th>Price per Unit ($0.00)</th>
</tr>
</thead>
</table>

§ 4.5 Liquidated damages, if any:

(Insert terms and conditions for liquidated damages, if any.)

LIQUIDATED DAMAGES FOR SUBSTANTIAL COMPLETION The undersigned Bidder agrees that, from the compensation otherwise to be paid, the Owner may retain the sum of One Hundred Dollars ($100) for each calendar day after the agreed Date of Substantial Completion that the Work remains not substantially complete, which sum is a greed upon as the proper measure of liquidated damages which the Owner will sustain per diem by the failure of the Undersigned to complete the work at the time stipulated in the Contract. This sum is not to be construed in any sense a penalty.

§ 4.6 Other:

(Insert provisions for bonus or other incentives, if any, that might result in a change to the Contract Sum.)
ARTICLE 5 PAYMENTS

§ 5.1 Progress Payments

§ 5.1.1 Based upon Applications for Payment submitted to the Architect by the Contractor and Certificates for Payment issued by the Architect, the Owner shall make progress payments on account of the Contract Sum to the Contractor as provided below and elsewhere in the Contract Documents.

§ 5.1.2 The period covered by each Application for Payment shall be one calendar month ending on the last day of the month, or as follows:

§ 5.1.3 Provided that an Application for Payment is received by the Architect not later than the last day of a month, the Owner shall make payment of the amount certified to the Contractor not later than the 25th day of the following month. If an Application for Payment is received by the Architect after the application date fixed above, payment of the amount certified shall be made by the Owner not later than thirty (30) days after the Architect receives the Application for Payment. (Federal, state or local laws may require payment within a certain period of time.)

§ 5.1.4 Each Application for Payment shall be based on the most recent schedule of values submitted by the Contractor in accordance with the Contract Documents. The schedule of values shall allocate the entire Contract Sum among the various portions of the Work. The schedule of values shall be prepared in such form, and supported by such data to substantiate its accuracy, as the Architect may require. This schedule of values shall be used as a basis for reviewing the Contractor’s Applications for Payment.

§ 5.1.5 Applications for Payment shall show the percentage of completion of each portion of the Work as of the end of the period covered by the Application for Payment.

§ 5.1.6 In accordance with AIA Document A201™-2017, General Conditions of the Contract for Construction, and subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:

§ 5.1.6.1 The amount of each progress payment shall first include:

.1 That portion of the Contract Sum properly allocable to completed Work;
.2 That portion of the Contract Sum properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the completed construction, or, if approved in advance by the Owner, suitably stored off the site at a location agreed upon in writing; and
.3 That portion of Construction Change Directives that the Architect determines, in the Architect’s professional judgment, to be reasonably justified.

§ 5.1.6.2 The amount of each progress payment shall then be reduced by:

.1 The aggregate of any amounts previously paid by the Owner;
.2 The amount, if any, for Work that remains uncorrected and for which the Architect has previously withheld a Certificate for Payment as provided in Article 9 of AIA Document A201–2017;
.3 Any amount for which the Contractor does not intend to pay a Subcontractor or material supplier, unless the Work has been performed by others the Contractor intends to pay;
.4 For Work performed or defects discovered since the last payment application, any amount for which the Architect may withhold payment, or nullify a Certificate of Payment in whole or in part, as provided in Article 9 of AIA Document A201–2017; and
.5 Retainage withheld pursuant to Section 5.1.7.

§ 5.1.7 Retainage

§ 5.1.7.1 For each progress payment made prior to Substantial Completion of the Work, the Owner may withhold the following amount, as retainage, from the payment otherwise due:
(Insert a percentage or amount to be withheld as retainage from each Application for Payment. The amount of retainage may be limited by governing law.)

Five Percent (5%)

§ 5.1.7.1 The following items are not subject to retainage:
(Insert any items not subject to the withholding of retainage, such as general conditions, insurance, etc.)

§ 5.1.7.2 Reduction or limitation of retainage, if any, shall be as follows:
(If the retainage established in Section 5.1.7.1 is to be modified prior to Substantial Completion of the entire Work, including modifications for Substantial Completion of portions of the Work as provided in Section 3.3.2, insert provisions for such modifications.)

§ 5.1.7.3 Except as set forth in this Section 5.1.7.3, upon Substantial Completion of the Work, the Contractor may submit an Application for Payment that includes the retainage withheld from prior Applications for Payment pursuant to this Section 5.1.7. The Application for Payment submitted at Substantial Completion shall not include retainage as follows:
(Insert any other conditions for release of retainage upon Substantial Completion.)

§ 5.1.8 If final completion of the Work is materially delayed through no fault of the Contractor, the Owner shall pay the Contractor any additional amounts in accordance with Article 9 of AIA Document A201–2017.

§ 5.1.9 Except with the Owner’s prior approval, the Contractor shall not make advance payments to suppliers for materials or equipment which have not been delivered and stored at the site.

§ 5.2 Final Payment
§ 5.2.1 Final payment, constituting the entire unpaid balance of the Contract Sum, shall be made by the Owner to the Contractor when
.1 the Contractor has fully performed the Contract except for the Contractor’s responsibility to correct Work as provided in Article 12 of AIA Document A201–2017, and to satisfy other requirements, if any, which extend beyond final payment; and
.2 a final Certificate for Payment has been issued by the Architect.

§ 5.2.2 The Owner’s final payment to the Contractor shall be made no later than 30 days after the issuance of the Architect’s final Certificate for Payment, or as follows:

§ 5.3 Interest
Payments due and unpaid under the Contract shall bear interest from the date payment is due at the rate stated below, or in the absence thereof, at the legal rate prevailing from time to time at the place where the Project is located.
(Insert rate of interest agreed upon, if any.)

One and a half percent % 1.5%

ARTICLE 6 DISPUTE RESOLUTION
§ 6.1 Initial Decision Maker
The Architect will serve as the Initial Decision Maker pursuant to Article 15 of AIA Document A201–2017, unless the parties appoint below another individual, not a party to this Agreement, to serve as the Initial Decision Maker.
§ 6.2 Binding Dispute Resolution
For any Claim subject to, but not resolved by, mediation pursuant to Article 15 of AIA Document A201–2017, the method of binding dispute resolution shall be as follows:

(Check the appropriate box.)

[ ] Arbitration pursuant to Section 15.4 of AIA Document A201–2017
[X ] Litigation in a court of competent jurisdiction
[ ] Other (Specify)

If the Owner and Contractor do not select a method of binding dispute resolution, or do not subsequently agree in writing to a binding dispute resolution method other than litigation, Claims will be resolved by litigation in a court of competent jurisdiction.

ARTICLE 7 TERMINATION OR SUSPENSION
§ 7.1 The Contract may be terminated by the Owner or the Contractor as provided in Article 14 of AIA Document A201–2017.

§ 7.1.1 If the Contract is terminated for the Owner’s convenience in accordance with Article 14 of AIA Document A201–2017, then the Owner shall pay the Contractor a termination fee as follows:
(Insert the amount of, or method for determining, the fee, if any, payable to the Contractor following a termination for the Owner’s convenience.)

Zero

§ 7.2 The Work may be suspended by the Owner as provided in Article 14 of AIA Document A201–2017.

ARTICLE 8 MISCELLANEOUS PROVISIONS
§ 8.1 Where reference is made in this Agreement to a provision of AIA Document A201–2017 or another Contract Document, the reference refers to that provision as amended or supplemented by other provisions of the Contract Documents.

§ 8.2 The Owner’s representative:
(Name, address, email address, and other information)

John Butz, City Administrator
City of Rolla, MO
201 N. Elm St.
Rolla, MO 65402
Mobile Number: (573) 426-6948

§ 8.3 The Contractor’s representative:
(Name, address, email address, and other information)

Tonie Cahill, President
§ 8.4 Neither the Owner's nor the Contractor's representative shall be changed without ten days' prior notice to the other party.

§ 8.5 Insurance and Bonds

§ 8.5.1 The Owner and the Contractor shall purchase and maintain insurance as set forth in AIA Document A101\textsuperscript{TM}-2017, Standard Form of Agreement Between Owner and Contractor where the basis of payment is a Stipulated Sum, Exhibit A, Insurance and Bonds, the Project Manual and elsewhere in the Contract Documents.

§ 8.5.2 The Contractor shall provide bonds as set forth in AIA Document A101\textsuperscript{TM}-2017 Exhibit A, and elsewhere in the Contract Documents: Performance and Payment bonds on AIA 312 forms.

§ 8.6 Notice in electronic format, pursuant to Article I of AIA Document A201–2017, may be given in accordance with AIA Document E203–2013, Building Information Modeling and Digital Data Exhibit, if completed, or as otherwise set forth below:

(If other than in accordance with AIA Document E203–2013, insert requirements for delivering notice in electronic format such as name, title, and email address of the recipient and whether and how the system will be required to generate a read receipt for the transmission.)

§ 8.7 Other provisions:

None

ARTICLE 9 ENUMERATION OF CONTRACT DOCUMENTS

§ 9.1 This Agreement is comprised of the following documents:

.1 AIA Document A101\textsuperscript{TM}-2017, Standard Form of Agreement Between Owner and Contractor

.2—AIA Document A101\textsuperscript{TM}-2017, Exhibit A, Insurance and Bonds

.3 AIA Document A201\textsuperscript{TM}-2017, General Conditions of the Contract for Construction

.4 AIA Document E203\textsuperscript{TM}-2013, Building Information Modeling and Digital Data Exhibit, dated as indicated below:

(Insert the date of the E203-2013 incorporated into this Agreement.)

CITY OF ROLLA
CITY COUNCIL AGENDA

DEPARTMENT: Community Development
SUBJECT: Davis Addition: a Minor Subdivision Final Plat to combine three commercial lots into one lot.

ACTIONS REQUESTED: First Reading

MEETING DATE: February 22, 2022

Application and Notice:
Applicant/Owner - Jeff Davis of 24/7 Homes, LLC

Background:
The applicant intends to develop the subject property. The property was recently rezoned to allow for the planned development. To make development easier without having to consider interior lot lines, the applicant seeks to combine the three platted lots and a formerly vacated alleyway into one large commercial lot. Most of the entire property is within the designated floodplain. The applicant is aware of the floodplain development requirements, which could greatly impact the ability to develop the property.

Property Details:
Current zoning - C-2, General Retail
Current use - Residential/Undeveloped
Land area - 0.49 acres

Public Facilities/Improvements:
Streets - The subject property has frontage on Hwy 72, a Major Arterial road; and frontage on Olive Street, a collector street; and Oak Street, a local street.
Sidewalks - Sidewalks are located along the frontage of the property on all streets.
Utilities - The subject property should have access to all needed utilities.

Comprehensive Plan: The Comprehensive Plan designates the subject property as being appropriate for Neighborhood Commercial uses.

Discussion: The proposed plat appears to meet all zoning and subdivision requirements.

Planning and Zoning Commission Recommendation:
The Rolla Planning and Zoning Commission conducted a meeting on February 15, 2022 and voted 5-0 to recommend approval of the request.

Prepared by: Tom Coots, City Planner
Attachments: Area Map, Plat, Ordinance
ORDINANCE NO. ________

AN ORDINANCE TO APPROVE THE MINOR SUBDIVISION FINAL PLAT OF DAVIS ADDITION.

(SUB 22-01)

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROLLA, MISSOURI AS FOLLOWS:

SECTION 1: An ordinance approving the Minor Subdivision Final Plat of Davis Addition, a subdivision in City of Rolla, Phelps County, Missouri through the subdivision process.

SECTION 2: That this ordinance shall be in full force and effect from and after the date of its passage and approval. Building permits may not be issued by the Community Development Department until the plat has been filed with the Phelps County Recorder of Deeds.

APPROVED:

__________________________
Mayor

ATTEST:

__________________________
City Clerk

APPROVED AS TO FORM:

__________________________
City Counselor
**Davis Addition**

A Resubdivision of Lots 4, 5, 6 and part of Lots 7 & 8 and part of the vacated alley in Block 9 of Newman's Addition, Rolla, Missouri.

**Description**

All of Lots 4, 5, and 6 in Block 9 in Newman's Addition to the City of Rolla, Missouri, except that part conveyed to the State of Missouri for highway purposes by Ordinance No. 3213, filed March 25, 1994, in Document No. 9401836 of the Phelps County Deed Records.

**Surveyor's Certification**

Know all men by these presents that I, Jason Lortz, do hereby certify that this plat meets Missouri Minimum Standards for Property Boundary Surveys and Subdivision Surveys and that no title transfers shall be final for any lots herein plotted until a duly executed Amendment to this plat is approved by the City of Rolla, Missouri. The above mentioned improvements are to be completed pursuant to the agreement between the undersigned and the City of Rolla, Missouri for the completion of such improvements as required by Article 9, Chapter 42 of the City Code of Rolla, Missouri.

**Acknowledgment of Approval by City Council**

This is to acknowledge that the City Council of the City of Rolla, Missouri has by ordinance duly adopted and approved this plat and has authorized the same to be filed for record in the Office of the Recorder of Deeds, Phelps County, Missouri.

**Notes**

1. Type: Urban Accuracy Standards.
3. Field work performed in December 2021.
4. A current title report has not been furnished to the land surveyor by the client, and no investigation has been conducted as to the present status of easements or other restrictive conditions affecting the subject land.

**Dedication**

Whereas, 24/7 Homes, LLC, hereinafter referred to as "DEDICATOR," is the owner of the premises described on this plat; and

Whereas, DEDICATOR desires to subdivide the land as shown on this plat with said subdivision to be named "DAVS ADDITION;"

DEDICATOR does hereby dedicate to the public use forever all easements shown upon this plat and subdivision, the premises shown on this plat so that all of said premises will more fully comply with all pertinent zoning laws and any other restrictive conditions affecting the subject land and using those places which are designated as utility easements on this plat.

In witness whereof, the DEDICATOR has executed this dedication the ___ day of __________, 2022, by ________________________.

Jeffrey Davis
24/7 Homes, LLC

State of Missouri

On this ___ day of __________, 2022, before me personally appeared Jeffrey Davis, to me known to be the person described in and whose seal and signature are on the plat and I, the undersigned, to be the person described in and whose seal and signature are on the plat.

For the City of Rolla, Missouri.

Mayor, City of Rolla
Louis J. Magdits, IV

City Clerk
Lorri Thurman

Monday - Friday
At the January 18th Council Meeting, a citizens' request was filed by Mr. Kelly Martin to consider modifying Section 27-36 of the Rolla City Code which prohibits the operation of all-terrain vehicles inside the city limits. The issue of allowing "utility vehicles" on city streets, allowed per state statutes (RSMo 304.032) by local action, has been growing in recent years. Initially very small rural communities began allowing, but in the last couple years the issue has been granted by larger communities such as Kirkwood, O'Fallon, Union, and Popular Bluff.

State regulations address ATVs, UTVs, and golf carts separately. While very unpopular by law enforcement due to safety concerns (see 02/07/22 memo from Chief Fagan) communities have been experimenting with various forms of permits and requirements. Attached is general information on the topic along with a preliminary ordinance to allow UTVs with restrictions.

Discussion needed to finalize a draft ordinance if desired by Council.
Alternative Transportation Discussion – UTVs, ATVs, Golf Carts

The Issue: Missouri cities have the statutory authority to allow UTVs, ATVs and golf carts on city streets as an alternative mode of transportation. While originally an issue for county government and the use of rural routes over the last few couple years many smaller communities (i.e. St. James, Perryville, Osage Beach) have adopted regulations to grant special permission (permits) for some operators, but in the last couple years the popularity of same has moved into larger communities such as Kirkwood, Sikeston and O’Fallon. The popularity and sophistication of 4-wheelers and golf carts in both rural and urban areas, in addition to the growth of handicapped accessibility, bike-sharing and electric scooter programs, has led to cities evaluating the strengths and weaknesses of expanding alternative transportation methods. The opposition to such allowances is the concern of public (traveling) safety. Over the last thirty years tremendous efforts have been mandated by states and the federal government to enhance vehicular safety (i.e. airbags, crash tests, seatbelts, rollover safety, inspections) very little of which applies to off-road vehicles.

MO Statutory Definitions:

"All-terrain vehicle", any motorized vehicle manufactured and used exclusively for off-highway use, with an unladen dry weight of one thousand five hundred pounds or less, traveling on three, four or more nonhighway tires, with either:

(a) A seat designed to be straddled by the operator, and handlebars for steering control, but excluding an electric bicycle; or

(b) A width of fifty inches or less, measured from outside of tire rim to outside of tire rim, regardless of seating or steering arrangement

"Utility vehicle", any motorized vehicle manufactured and used exclusively for off-highway use which is more than fifty inches but no more than eighty inches in width, measured from outside of tire rim to outside of tire rim, with an unladen dry weight of three thousand five hundred pounds or less, traveling on four or six wheels, to be used primarily for landscaping, lawn care, or maintenance purposes;

"Recreational off-highway vehicle", any motorized vehicle manufactured and used exclusively for off-highway use which is more than fifty inches but no more than eighty inches in width, measured from outside of tire rim to outside of tire rim, with an unladen dry weight of three thousand five hundred pounds or less, traveling on four or more nonhighway tires and which may have access to ATV trails.
"Golf cart" means a motor vehicle that is designed and manufactured for operation on a golf course for sporting or recreational purposes and that is not capable of exceeding speeds of twenty miles per hour.

Cities that allows some form: Kirkwood (GC), O'Fallon, Poplar Bluff, Raymore, Sikeston (UTV), De Soto (UTV over 200 registered), Milan, Perryville, Pevely, Osage Beach, Malden (ATV, UTV & GC), Pacific, Centralia (UTV, GC), Ashland (ATV), St. James, Union (UTV), Houston (UTV & GC), Potosi (UTV & GC)

[Note: Farmington & Chesterfield voted down same]

**Rolla: Sec. 27-36. Nonlicensed all terrain vehicles - Prohibited.**

(a) It shall be unlawful for any person to operate upon the public streets or sidewalks in the City of Rolla, Missouri any non-licensed all terrain vehicle.

(b) For the purposes of this Ordinance, the terms "all terrain vehicle" means a motorized vehicle having three or four wheels with tires that are designed for off the road driving.

(c) For the purpose of this Ordinance, the term "nonlicensed all terrain vehicle" means a vehicle that is not subject to licensing and registration laws of the State of Missouri.

(d) The penalty for violation of this Ordinance is a fine not to exceed five hundred dollars or a jail sentence not to exceed three months or both a fine and jail sentence within said limits. (Ord. 2567, §§1-4.)
Missouri Law:

304.013. All-terrain vehicles, prohibited on highways, rivers or streams of this state, exceptions, operational requirements — special permits — prohibited uses — penalty. — 1. No person shall operate an all-terrain vehicle, as defined in section 301.010, upon the highways of this state, except as follows:

(1) All-terrain vehicles owned and operated by a governmental entity for official use;

(2) All-terrain vehicles operated for agricultural purposes or industrial on-premises purposes between the official sunrise and sunset on the day of operation;

(3) All-terrain vehicles operated by handicapped persons for short distances occasionally only on the state's secondary roads when operated between the hours of sunrise and sunset;

(4) Governing bodies of cities may issue special permits to licensed drivers for special uses of all-terrain vehicles on highways within the city limits. Fees of fifteen dollars may be collected and retained by cities for such permits;

(5) Governing bodies of counties may issue special permits to licensed drivers for special uses of all-terrain vehicles on county roads within the county. Fees of fifteen dollars may be collected and retained by the counties for such permits;

(6) Municipalities may by resolution or ordinance allow all-terrain vehicle operation on streets or highways under the governing body's jurisdiction. Any person operating an all-terrain vehicle pursuant to a municipal resolution or ordinance shall maintain proof of financial responsibility in accordance with section 303.160 or maintain any other insurance policy providing equivalent liability coverage for an all-terrain vehicle.

2. No person shall operate an off-road vehicle within any stream or river in this state ...

3. A person operating an all-terrain vehicle on a highway pursuant to an exception covered in this section shall have a valid operator's or chauffeur's license, except that a handicapped person operating such vehicle pursuant to subdivision (3) of subsection 1 of this section, but shall not be required to have passed an examination for the operation of a motorcycle, and the vehicle shall be operated at speeds of less than thirty miles per hour. When operated on a highway, an all-terrain vehicle shall have a bicycle safety flag, which extends not less than seven feet above the ground, attached to the rear of the vehicle. The bicycle safety flag shall be triangular in shape with an area of not less than thirty square inches and shall be day-glow in color.
4. No persons shall operate an all-terrain vehicle:

   (1) In any careless way so as to endanger the person or property of another;

   (2) While under the influence of alcohol or any controlled substance;

   (3) Without a securely fastened safety helmet on the head of an individual who operates an all-terrain vehicle or who is being towed or otherwise propelled by an all-terrain vehicle, unless the individual is at least eighteen years of age.

5. No operator of an all-terrain vehicle shall carry a passenger, except for agricultural purposes. The provisions of this subsection shall not apply to any all-terrain vehicle in which the seat of such vehicle is designed to carry more than one person.

6. A violation of this section shall be a class C misdemeanor.

304.032. Utility vehicles, operation on highway and in streams or rivers prohibited — exceptions — passengers prohibited — violations, penalty. — 1. No person shall operate a utility vehicle, as defined in section 301.010, upon the highways of this state, except as follows:

   (1) Utility vehicles owned and operated by a governmental entity for official use;

   (2) Utility vehicles operated for agricultural purposes or industrial on-premises purposes between the official sunrise and sunset on the day of operation, unless equipped with proper lighting;

   (3) Utility vehicles operated by handicapped persons for short distances occasionally only on the state's secondary roads when operated between the hours of sunrise and sunset;

   (4) Governing bodies of cities may issue special permits for utility vehicles to be used on highways within the city limits by licensed drivers. Fees of fifteen dollars may be collected and retained by cities for such permits;

   (5) Governing bodies of counties may issue special permits for utility vehicles to be used on county roads within the county by licensed drivers. Fees of fifteen dollars may be collected and retained by the counties for such permits;

   (6) Municipalities may by resolution or ordinance allow utility vehicle operation on streets or highways under the governing body's jurisdiction. Any person operating a utility vehicle pursuant to a municipal resolution or ordinance shall maintain proof of financial responsibility in accordance with section 303.160 or maintain any other insurance policy providing equivalent liability coverage for a utility vehicle.
2. No person shall operate a utility vehicle within any stream or river in this state ...

3. A person operating a utility vehicle on a highway pursuant to an exception covered in this section shall have a valid operator's or chauffeur's license, except that a handicapped person operating such vehicle under subdivision (3) of subsection 1 of this section, but shall not be required to have passed an examination for the operation of a motorcycle, and the vehicle shall be operated at speeds of less than forty-five miles per hour.

4. No persons shall operate a utility vehicle:

   (1) In any careless way so as to endanger the person or property of another; or

   (2) While under the influence of alcohol or any controlled substance.

5. No operator of a utility vehicle shall carry a passenger, except for agricultural purposes. The provisions of this subsection shall not apply to any utility vehicle in which the seat of such vehicle is designed to carry more than one person.

6. A violation of this section shall be a class C misdemeanor.

304.033. Recreational off-highway vehicles, operation on highways prohibited, exceptions — operation within streams and rivers prohibited, exceptions — license required for operation, exception. — 1. No person shall operate a recreational off-highway vehicle, as defined in section 301.010, upon the highways of this state, except as follows:

   (1) Recreational off-highway vehicles owned and operated by a governmental entity for official use;

   (2) Recreational off-highway vehicles operated for agricultural purposes or industrial on-premises purposes;

   (3) Recreational off-highway vehicles operated within three miles of the operator's primary residence. The provisions of this subdivision shall not authorize the operation of a recreational off-highway vehicle in a municipality unless such operation is authorized by such municipality as provided for in subdivision (5) of this subsection;

   (4) Recreational off-highway vehicles operated by handicapped persons for short distances occasionally only on the state's secondary roads;

   (5) Governing bodies of cities may issue special permits to licensed drivers for special uses of recreational off-highway vehicles on highways within the city limits. Fees of fifteen dollars may be collected and retained by cities for such permits;
(6) Governing bodies of counties may issue special permits to licensed drivers for special uses of recreational off-highway vehicles on county roads within the county. Fees of fifteen dollars may be collected and retained by the counties for such permits.

2. No person shall operate a recreational off-highway vehicle within any stream ...

3. A person operating a recreational off-highway vehicle on a highway pursuant to an exception covered in this section shall have a valid operator's or chauffeur's license, except that a handicapped person operating such vehicle pursuant to subdivision (4) of subsection 1 of this section, but shall not be required to have passed an examination for the operation of a motorcycle. An individual shall not operate a recreational off-highway vehicle upon * a highway in this state without displaying a lighted headlamp and a lighted tail lamp. A person may not operate a recreational off-highway vehicle upon a highway of this state unless such person wears a seat belt. When operated on a highway, a recreational off-highway vehicle shall be equipped with a roll bar or roll cage construction to reduce the risk of injury to an occupant of the vehicle in case of the vehicle's rollover.

304.034. Municipalities may regulate golf cart and motorized wheelchair usage on streets and highways. — 1. Notwithstanding any other law to the contrary, the governing body of any municipality may by resolution or ordinance allow persons to operate golf carts or motorized wheelchairs upon any street or highway under the governing body's jurisdiction. A golf cart or motorized wheelchair shall not be operated at any time on any state or federal highway, but may be operated upon such highway in order to cross a portion of the state highway system which intersects a municipal street. No golf cart or motorized wheelchair shall cross any highway at an intersection where the highway being crossed has a posted speed limit of more than forty-five miles per hour.

2. Golf carts operated on city streets shall be equipped with adequate brakes and shall meet any other safety requirements imposed by the governing body. Golf carts are not subject to the registration provisions of chapter 301.

3. As used in this section, a "golf cart" means a motor vehicle that is designed and manufactured for operation on a golf course for sporting or recreational purposes and that is not capable of exceeding speeds of twenty miles per hour.
MODOT: “Those types of vehicles are not currently allowed on any state roadway or right of way.” (note: they are allowed to cross state roads w/ speed limits under 45 MPH)

Preston Kramer, PE, PMP, Missouri Department of Transportation – Central District

An Opportunity for Mobility

_Golf Cart Ordinance Revision _· _O'Fallon, Missouri_

In 2020, the O'Fallon City Council passed an ordinance setting regulations for the use of golf carts within the City of O'Fallon. After one year of use, the City Council reviewed the ordinance to see if it needed any tweaks. As part of this review, the City Council made one change in response to a request from several individuals advocating for residents with disabilities. Because some residents with disabilities may be able to safely drive a golf cart but may not be able to obtain a drivers’ license, the City Council voted at their April 8th meeting to remove the requirement that all operators have a license. Operators still must be at least 16 years of age, but a drivers’ license is now no longer a requirement. The other requirements remained the same.

According to the Ordinance, a golf cart is defined as any motor vehicle that is or was originally designed and manufactured for operation on a golf course for sporting or recreational purposes and is not capable of exceeding speeds of 20 miles per hour. Please note: All-terrain vehicles and off-road vehicles are not “golf carts” under Missouri State Law and within the meaning of these regulations.

The regulations relating to golf carts now read as follows:

- Golf carts may be operated on any public street, other than a state or federal highway, having a speed limit of 30 mph or less. Carts may cross federal or state highways or another street with a speed limit over 30 mph; however, no golf cart may cross a street with a posted speed limit that exceeds 45 mph.
- Golf carts may be operated on public sidewalks and public pedestrian and bicycle paths which have a travel surface of at least 6 feet wide, unless prohibited by posted signs.
• Golf carts may not be driven at any time between ½ hour before sunset and ½ hour before sunrise, unless the golf cart is equipped with a lamp on the front with a white light visible from at least 500 feet to the front and either a solid red taillight visible from 500 feet to the rear when directly in front of lawful low-beam headlights on a motor vehicle or a flashing LED taillight together with a red reflector visible for 600 feet.

• All golf carts must have a bicycle safety flag, triangular in shape, with an area at least 30 square inches in a dayglow color and extending at least 7 feet above the ground attached to the rear of the golf cart and must be equipped with a horn or other device capable of emitting an audible warning signal.

No person shall operate a golf cart:

• In a negligent or careless manner so as to endanger any person or property of another
• While under the influence of alcohol or any controlled substance
• Who is less than 16 years old
• With more passengers than the golf cart is specifically designed to carry while seated
• With any passengers standing in the rear bag storage area or hanging onto the golf cart

Any person operating a golf cart shall:

• Yield the right-of-way to any pedestrian or bicyclist
• Give an audible signal before overtaking or passing a pedestrian or bicyclist
• Move the golf cart to the far-right side and yield to faster-moving vehicles, pedestrians, and bicyclists
• Maintain proof of financial responsibility or maintain any other insurance policy providing equivalent liability coverage for operation of a golf cart
• Adhere to all applicable state and local laws including, but not limited to the provisions of this code

Not operate a golf cart on any private property without permission of the property owner.
• 10.39.010 - Definitions. Pevely

"All-terrain vehicle" means any motorized vehicle manufactured and used exclusively for off-highway use which is fifty (50) inches or less in width, with an unladen dry weight of one thousand five hundred (1,500) pounds or less, traveling on three, four, or more non-highway tires.

"Golf cart" means any motorized vehicle powered electrically or by any other means designed and manufactured for operation on a golf course for sporting and recreational purposes.

"Utility vehicle" means any motorized vehicle manufactured and used exclusively for off-highway use which is more than fifty (50) inches but no more than sixty-seven (67) inches in width, with an unladen dry weight of two thousand (2,000) pounds or less, traveling on four or six wheels, to be used primarily for landscaping, lawn care, or maintenance purposes.

• 10.39.020 - All-terrain vehicle operation on streets or roadways prohibited.

All-terrain vehicles as defined herein shall not be operated upon the streets or roadways of the city except when properly equipped and used exclusively in the performance of maintenance work such as snow removal or as otherwise authorized by state law to operate on the highways of the state or as authorized in Chapter 10.32 of this code.

• 10.39.030 - Golf cart or utility vehicle prohibition.

No person shall operate a golf cart or utility vehicle as defined herein upon the streets or roadways of the city:

A. In a careless manner so as to endanger the life or property of another;

B. While under the influence of alcohol or any controlled substance;

C. With a passenger unless the golf cart or utility vehicle is being operated for agricultural purposes or the seat is designed to carry more than one person;

D. At a speed in excess of twenty (20) miles per hour.

• 10.39.040 - Golf cart or utility vehicle operation.

A. Golf cart or utility vehicle:

May only be operated on the streets or roadways of the city by an operator who possesses a valid driver's license unless exempt under the laws of the state of Missouri;

B. May only be operated between the hours of official sunrise and sunset;

C. Must be operated in accordance with all traffic regulations and must not obstruct or interfere with normal traffic flow;
D. Must be equipped with adequate brakes, reliable steering, safe tires, a rearview mirror, and reflectorized warning devices;

E. Shall not be operated with more occupants than the number for which it was designed;

F. Must not be operated at speeds in excess of twenty (20) miles per hour.

City of Osage Beach: NEW GOLF CART & UTILITY VEHICLE ORDINANCE.

This ordinance will allow and control the limited use of golf carts and other utility vehicles on most City streets. Golf carts and utility vehicles will NOT be allowed on the following roadway areas:

• Any roadway with a posted speed limit of 35 mph or more
• Nichols Road between Osage Beach Parkway & Dude Ranch Road
• Passover Road between Osage Beach Parkway & Parkwood Circle
• Bluff Drive between Osage Beach Parkway & Sunset Drive

Bicycle safety flags and a valid driver’s license are required. Headlights and taillights are required if operating after dark.
Sirs,

Recently there has been a lot of talk about possibly allowing off road vehicles to operate on the streets of Rolla. Other smaller cities such as St. James have recently passed ordinances allowing them to be operated on their streets. I, including all of my staff are very much against allowing these off road vehicles to operate on the paved streets of Rolla. There are several reasons for this which I will try to articulate:

By 1989, Chrysler offered airbags in every passenger car. We’ve come a long way since then. Today, airbags, along with seatbelts, antilock brakes, traction control, stability control, and backup cameras, are government-mandated. You can expect many of the current crop of gee-whiz driver-aid safety features to be mandatory at some point.

- **Shatter resistant glass.** Shatter resistant glass provides a windshield that breaks into numerous, harmless pieces in the event of an accident. The windshields in earlier motor vehicles were dangerous. If the windshield was to brake, the driver would be covered in shards of glass. Shatterproof glass is laminated in such a way as to prevent injuries.

- **Seatbelts.** This safety feature, invented in 1849, was not standard equipment until 1966, when the National Traffic and Motor Vehicle Act and the Highway Safety Act gave control to the federal government. The federal government formed the National Highway Traffic Safety Administration or NHTSA. The NHTSA made it mandatory for all vehicle manufacturers to make seatbelts standard in all motor vehicles. Since the 1960's several improvements to seatbelts have been made.

- **Airbags.** In 1968, Allen Breed invented the first electronic sensor to set off air bags in the case of an accident. In 1988, Chrysler made airbags standard equipment in all their
vehicle models. Chrysler was ahead of the game, since it was not until 1998 that airbags became mandatory in all motor vehicles.

- **Anti-lock braking systems.** The earliest braking systems in automobiles only applied braking pressure to the rear wheels. During emergency breaking situations the rear wheels would lock up, causing the vehicle to slide and swerve to a stop. It was not until the 1920's that four wheel brakes where introduced. Four wheel brakes helped prevent swerving in an emergency braking situation. The introduction of ABS solved the skidding problem and also allowed the driver to maintain control of steering, while braking on slick surfaces.

- **Stability control.** Stability control allows drivers to avoid dangerous rollover accidents, by the computer helping to compensate for driver error. If you turned too hard in a vehicle without stability control you may have a rollover accident. If you did the same maneuver in a vehicle with stability control the computer compensates for the amount of over steer by sending power to different wheels to avoid an accident.

- **Lights.** Three types of lights are essential for any vehicle: break lights, turn signals and headlights. Make sure that you use all these. You should also check the bulbs regularly to ensure that they’re in perfectly working condition. Have a bulb replaced as soon as it fails. If you’re frequently traveling on long routes at nighttime, you should consider having powerful bulbs or HIDs installed for your headlights.

- **Mirrors.** Proper positioning of side and rear view mirrors is very important. Proper alignment of mirrors ensures high visibility and eliminates the blind spots.

- **Bumpers.** Perhaps the most primitive of safety features, bumpers are built to withstanding minor collisions. They can prevent damage to the main body and engine of the car.

These are only a few of the over 100 safety features that have been incorporated in today’s motor vehicles, all of which were implemented for the safety of the driver and passengers in vehicle.

Side by sides, UTVs and ATVs do not have these safety features (with the exception of seat belts).

They do not have anti-lock brakes, and are unstable due to being top heavy. Recently one tipped over next to the property of Captain Smith, which he stated was not the first time.
The Consumer Products Safety Commissions report includes off-highway vehicle (OHV)-related estimated injury statistics during the period 2017 through 2019, and deaths from 2015 through 2017. OHVs are comprised of recreational off-highway vehicles (ROVs) and utility terrain vehicles (UTVs), in addition to ATVs.

These off road vehicles accounted for approximately 97 percent of total off-highway vehicle (OHV)-related emergency department-treated injuries. There were about 1,700 ATV-related fatalities and 445 ROV-related fatalities reported during this period.

Ann Marie Buerkle, CPSC acting chair in 2018. “Off-road vehicles are not designed to be driven on paved surfaces, and collisions with cars and other on-road vehicles can be deadly.”

The U.S. Consumer Product Safety Commission urges riders to keep all off-road vehicles off roads, the commission said in 2016. “This includes all-terrain vehicles, recreational off-highway vehicles, side-by-sides, dirt bikes, and other utility vehicles.”

**Children Are at High Risk**

ATVs and ROVs become more dangerous when children drive adult-sized vehicles, or when more than one passenger rides on vehicles built for a single rider. Children under 16 accounted for the third-highest percentage of OHV deaths by age group; almost 50 percent of this group were children under 12.

**Never Ride ATVs and ROVs on Paved Roads**

It is extremely dangerous to use ATVs and ROVs on paved roads intended for vehicles; they are simply not designed for that purpose. Because ATVs and ROVs can be unwieldy on paved surfaces, the risk of collision with a car, truck, or other vehicle is significantly higher. The risk of tip-over is also dramatically increased. Even if a locality allows ATVs and RTVs on paved roads, CPSC strongly recommends not using them on paved surfaces.

Two national lobbying groups that represent manufacturers of off-highway vehicles said in position papers recently forwarded to local officials that they were opposed to on-highway use of OHVs and all-terrain vehicles. Additionally, a federal commission on consumer safety published guidance in 2016 and again in 2018 that Americans should not drive the vehicles on paved, public roads.

“Off-road vehicles are not designed to be driven on paved surfaces, and collisions with cars and other on-road vehicles can be deadly for ATV operators.”

I had a meeting with Captain Eddy Blaylock, Troop I Commander for the Missouri State Highway Patrol. When asked, he indicated to me the Highway Patrol is very aggressive in its enforcement of these types of vehicles being operated on State Routes and Highways. Also, Missouri S&T does not allow these vehicles to be operated on campus.
In closing, let me state that it is true that some smaller cities are allowing these vehicles on their roadways. Rolla is not a small city in comparison to these other cities. Considering the number of accidents we handle every year, it is a concern that we will inevitably have accidents with these off road vehicles. I fear of the injuries and deaths that these accidents will incur.

Respectfully Submitted,

__________________________

Col. Sean Fagan
Chief of Police
City of Rolla
AN ORDINANCE OF THE CITY OF ROLLA, MISSOURI TO ALLOW THE OPERATION OF
UTILITY VEHICLES WITHIN THE LIMITS OF SAID CITY, TO ESTABLISH
REASONABLE REGULATIONS THERETO, AND TO REPEAL ALL CONFLICTING
ORDINANCES.

WHEREAS, the City Council of the City of Rolla, Missouri has determined that it is in the
best interest of the City to authorize the operation of utility vehicles within the limits of said City
and to establish reasonable regulations regarding such operations as authorized by RSMo 304.032
and 304.034;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF
ROLLA AS FOLLOWS:

Section 1. Section ______ of the Rolla City Code is amended to read as follows:

1. Definitions. For purposes of this Section, the following definitions shall apply:

   A. "All-Terrain Vehicle" shall mean any motorized vehicle manufactured and used
      exclusively for off-highway use that is 50 inches or less in width, with an unladen dry
      weight of one thousand five hundred (1,500) pounds or less, traveling on three, four or
      more low-pressure tires, with a seat designed to be straddled by the operator and handlebars
      for steering control;

   B. “Utility Vehicle” shall mean any motorized vehicle manufactured and used exclusively
      for off-highway use which is sixty-three inches or less in width, with an unladen dry
      weight of three thousand five hundred (3,500) pounds or less, traveling on four or six
      wheels.

   C. “Golf Cart” shall mean any motorized vehicle originally designed for carrying golfers and
      their equipment over a golf course, including any such vehicle modified to carry additional
      passengers that is not capable of exceeding speeds of twenty (20) miles per hour.

2. Operation in Violation of Regulations Prohibited. No person shall operate an All-terrain
   Vehicle or golf cart as defined herein on any street within the City of Rolla. No person shall
   operate a Utility Vehicle on any street within the City of Rolla except as authorized herein.

3. Only Licensed Drivers May Operate. Any person operating a Utility Vehicle on any street
   within the City of Rolla must be validly licensed to operate a motor vehicle under the Laws of the
   State of Missouri or his or her state of residence (unless exempt under Missouri law), however, no
   additional licensure shall be required.

4. Flag Required. Any Utility Vehicle operated on any street within the City of Rolla shall have
   a bicycle flag, which extends not less than seven feet above the ground, attached to the rear of the
   vehicle; the flag shall be day-glow in color (bright) and shall be triangular shaped, with an area
   not less than 30 square Inches.
5. **Time of Operation.** No Utility Vehicle shall be operated on any street within the City of Rolla between the hours of sunset and sunrise or in such conditions as the Utility Vehicle cannot be seen by another motorist traveling a reasonable distance behind.

6. **Speed of Operation.** No Utility Vehicle shall be operated on any street within the City of Rolla at a speed greater than thirty (30) miles per hour or in excess of the posted speed limit, whichever is less.

7. **Limit on Passengers.** No person shall operate any Utility Vehicle on any street within the City Rolla with a greater number of passengers than said Utility Vehicle is designed to safely carry.

9. **Careless and Imprudent Operation Prohibited.** Notwithstanding any other provision of law, every person operating any Utility Vehicle on any street within the City Rolla shall do so in a careful and prudent manner and at a rate of speed so as not to endanger the property of another or the life or limb of any person and shall exercise the highest degree of care.

10. **Operation Under the Influence Prohibited.** No person shall operate any Utility Vehicle on any street within the City of Rolla while under the influence of alcohol or any drug or drugs.

11. **Operation on Highways Prohibited.** Notwithstanding any other provision of law, no person shall operate any Utility Vehicle upon any federal or state highway unless otherwise permitted by law except for the purpose of crossing any such highway whose posted speed limit is less than forty-five (45) miles per hour.

12. **Insurance Required.** All owners and/or operators of any Utility Vehicle operated on any street within the City Rolla shall meet the minimum standards for liability insurance as set forth by RSMo 303.160 for each Utility Vehicle so operated.

13. **Permit Required.** No Utility Vehicle may be operated on any street within the City of Rolla unless there shall be affixed an annual permit issued by the City. Each permit so issued shall cost $15 and shall expire on December 31st of the year in which it is issued. In addition to the other requirements herein the following shall apply prior to the issuance of a permit:
   a) Drivers and occupants shall be properly secured by safety restraints. No driver or passenger may be seated anywhere other than a properly designated seat. Children must be in an age appropriate car seat.
   b) Utility Vehicle must maintain one or more lighted headlight and tail light, brakes, mirrors muffler, and roll-over cage.
   c) Utility Vehicle must have operating turn-signals.
   d) Utility Vehicle must comply with all State Laws including RSMo 304.032-.033.

14. **Application for Permit to be Accompanied by Certificate of Inspection.** No permit shall be issued for any Utility Vehicle under this section unless the application for permit shall be accompanied by a current Certificate of Inspection issued by the Police Chief, Public Works Department, City Clerk certifying the Utility Vehicle meets the definitions and requirements of this Section. Each inspection shall cost $10 and shall be conducted not more than thirty (30) days prior to the application for permit.
Section 2. That all other Ordinances in conflict herewith are hereby expressly repealed.

Section 3. That this Ordinance shall be in full force and effect upon its passage, approval and adoption by the City Council of the City of Rolla, Missouri.
On July 19, 2021, the City Council passed Ordinance 4624, which required vacant buildings to be registered. Staff originally identified 56 buildings that qualified. Of these 56, staff met on site at 21 different properties with the property owner and determined that all did qualify. 8 properties were taken off the registry by the property owner submitting building permits and completing renovations/improvements, or the property owner abating the property maintenance violations. 14 other properties have active building permits that, once finalized, will remove them from the registry. The property owners have paid the registration costs for 12 properties. The remaining 22 properties have had no action taken by the property owners.

Per ordinance 4624, "Any unpaid or delinquent fees, interest and/or penalties, whether or not reduced to judgment, shall constitute a lien against the property for which the fee was originally assessed until the same shall be fully satisfied. The City Clerk is authorized to take all steps necessary to file and perfect such liens as may be required or directed by the Director from time to time."

The city intends to begin filing liens on any properties which have not complied with the ordinance on March 1.

DEPARTMENT HEAD: Floyd Jernigan, Parks & Recreation Director
ACTION REQUESTED: Motion to award; 1st Reading of Contract (3 related actions)
ITEM/SUBJECT: New playground structure for Buehler Park

TOTAL BUDGET APPROPRIATION $130,000
DATE: February 22, 2022

COMMENTARY:
As budgeted the City received 10 proposals from 4 companies with a project range of $114,285-$142,780 for a dinosaur themed playground in Buehler Park. This playground will replace the current slide/tunnel piece that is no longer structurally sound. City crews will do the site finishing work and will also do the ADA sidewalk to the playground. All proposals included installation, shipping, and ADA safety surface. Staff’s recommendation, which was also approved by a special meeting of the Parks Advisory Commission, is Miracle Option A (2nd lowest price). The low bid did not meet all specs including dinosaur theme, features and shade element. Not shown in the layout are the small dino skull and dino tail bone climbing features.

Recommendation: Motion to Award Playground to Hutchinson Recreation, Miracle Option A.

Recommendation: The FY 2022 budget includes the expenditure of $39,500 for “regional park improvements” from the Park Land Reserve Fund. Motion to authorize expenditure of $39,500 from Park Land Reserve Fund (per Sec. 13-32 of City Code requires 2/3 vote by Council) – the balance paid for from the Parks Fund (Prop P).

Recommendation: 1<sup>st</sup> Reading of Ordinance to approve contract with Hutchinson.
ORDINANCE NO._______

AN ORDINANCE AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ROLLA, MISSOURI A CERTAIN SALES AGREEMENT BETWEEN THE CITY OF ROLLA, MISSOURI AND HUTCHINSON RECREATION FOR THE PURCHASE OF A NEW PLAYGROUND STRUCTURE FOR BUEHLER PARK.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROLLA, MISSOURI, AS FOLLOWS:

Section 1: That the Mayor of the City of Rolla, Missouri be and is hereby authorized and directed to execute on behalf of the City of Rolla, Missouri a Sales Agreement between the City of Rolla, Missouri and Hutchinson Recreation, a copy of said agreement being attached hereto and marked Exhibit A.

Section 2: That this ordinance shall be in full force and effect from and after the date of its passage and approval.

PASSED BY THE CITY COUNCIL OF THE CITY OF ROLLA, MISSOURI, AND APPROVED BY THE MAYOR THIS 7th DAY OF MARCH 2022.
