CONDITIONS OF PERMIT APPLICATION:

This form must be completed, signed, and accompanied by a site plan when applicable

All necessary information requested by the Code Official shall be provided to insure for a complete plan review of my proposed project. Approval of construction documents does not release the builder from complying with all codes and ordinances adopted by the City of Rolla. Per Chapter 327, RSMo

Plans may require a Missouri-registered Architect and/or Engineers Seal on all plans. Our department must approve all changes from the approved construction documents. **The permit shall be valid for one year and shall become invalid if the authorized work is not commenced within six months after issuance of a permit, or if the authorized work is suspended or abandoned for a period of six months after the time of issuing the permit. Demolition permits are valid for three months and will also become invalid if work is not completed. I certify that I have read and fully understand these conditions.**
