

Director of Public Works

The City of Rolla, MO (pop 20,230) is looking for an individual with a high level of professional ethics, integrity, proven leadership skills and outstanding technical skills to serve as its new Public Works Director. The Director will be responsible for planning, organizing, directing, and coordinating the activities of a 50-member professional and semi-skilled department including such services as street, curb and sidewalk repair and construction, sewer collection and treatment, floodplain management, GIS mapping, and project management.

Qualified applicants should possess at least ten years of public works experience with no less than five years in management. Applicant shall possess a Bachelor's Degree in Civil Engineering or related field and a PE license. Salary range of \$84,000 – 104,000 plus excellent benefits. The City of Rolla is an Equal Opportunity Employer. All submissions will be held in confidence.

For further questions regarding this position, please contact John D. Butz, Rolla City Administrator, (573)426-6948. Position open until filled. A cover letter and resume with references must be submitted to:
