***City-wide Clean-up**

The City of Rolla Environmental Services Department has an annual city-wide residential clean-up the first Saturday in April every year. All items must be to the curb by 6:00 a.m. Loose items should be placed in boxes or bags and small pieces of lumber should be bundled or boxed. *Rollout trash containers will NOT be emptied.* To avoid scavengers ripping open bags and making a mess in your yard, you are advised not to set it out until Friday evening. If you have questions about certain items please call the Environmental Services Department at 364-6693.

Examples of items that will be accepted are: furniture, microwaves, televisions, old clothes, toys, lawn mowers, lawn furniture, and normal household trash.

Items that will NOT be accepted are: washer, dryer, stove, refrigerator, water heater, water softener, paint, yard waste, tires, or construction debris such as sheet rock, shingles, concrete or rock.
